John M. Nunnally

John is a senior litigator with more than 25 years of trial experience.

His practice is focused on civil litigation and insurance defense, particularly construction, transportation and product liability. He has tried over 75 jury trials to verdict over his career.

John defends architects, engineers and other design professionals against professional negligence claims. His transportation law practice is concentrated on the defense of trucking companies.

John prides himself on being a lawyer who practices ethically and responsibly, with a relentless focus on what is best for his clients.

Presentations

John is a seasoned speaker to the construction and trucking industries. He routinely lectures to multiple national, regional and local design professionals industries on legal matters including the American Council of Engineering Companies, the American Institute of Architects, the Construction Defect Claims Managers Association and numerous annual Trucking conferences. His speech topics have included issues related to Risk Management, Cyber Security, Drones, Professional Liability, Indemnity, Standard of Care, Claim Trends and other timely legal issues. Additionally, he frequently leads continuing education seminars for the insurance industry.
